

Elevate your  
practice with

# LIFTED

Singapore Academy of Law's  
Legal Industry Framework for  
Training and Education

Competence is about continuously developing your knowledge, skills and attributes. It does not have to be time-consuming or expensive.

Check out these free resources:

### **Singapore Law Watch (SLW)**

[www.singaporelawwatch.sg](http://www.singaporelawwatch.sg)

Subscribe to the SLW for daily updates on legal news, judgments, legislation, notices and directions—delivered directly to your inbox.

### **Academy Publishing Journals**

[www.journalsonline.academypublishing.org.sg/Journals/SAL-Practitioner](http://www.journalsonline.academypublishing.org.sg/Journals/SAL-Practitioner)

The SAL Practitioner is a practice-oriented journal that features articles, comments, case notes and legislative updates. Content is published under subject areas of practice thus making it easy for you to find what is relevant.

### **Legal Technology Manual for Lawyers**

[www.sal.org.sg/Resources-Tools/Legal-Technology-Vision/Legal-Technology-Manual](http://www.sal.org.sg/Resources-Tools/Legal-Technology-Vision/Legal-Technology-Manual)

This Manual is made up of a series of articles explaining baseline legal technology choices, from the perspective of a law firm in Singapore. These articles provide an overview of the essential hardware and software available in the market for use in the running of your law firm.

### **LIFTED Online Resources**

[www.sal.org.sg/Resources-Tools/Legal-Education/LIFTED/eLearning](http://www.sal.org.sg/Resources-Tools/Legal-Education/LIFTED/eLearning)

Under the Legal Industry Framework for Training and Education (LIFTED) initiative, a range of digital learning resources are available for you to access 24/7 and on the go.
